

UNITED STATES DISTRICT COURT
DISTRICT OF NEVADA

Viet Oum,

Plaintiff

v.

Adam Brooks, et al.,

Defendants

Case No.: 2:23-cv-00736-JAD-VCF

**Order Denying Motions for
Reconsideration**

[ECF Nos. 5, 6]

On July 31, 2023, the magistrate judge granted Plaintiff Viet Oum's application to proceed *in forma pauperis* and ordered him to pay an initial filing fee of \$38.80 toward the full \$350 filing fee before his complaint will get screened.¹ Oum has since filed two motions for reconsideration, explaining that his inmate account balance is now \$0, so he is unable to pay an initial filing fee, and he remains willing to make payments—just not right now.

But the magistrate judge's decision was based on a solid analysis of financial documentation,² and Oum has submitted no proof of his empty account with either motion for reconsideration.³ So I am not sufficiently persuaded that relief is necessary. IT IS THEREFORE ORDERED that Oum's motions for reconsideration [ECF Nos. 5, 6] are **DENIED** without prejudice to his ability to file another motion for reconsideration with proper documentary support.

U.S. District Judge Jennifer A. Dorsey
